Brussels, 8 January 2016

### Director General Marco Mensink to leave CEPI in March

CEPI Director General Marco Mensink will leave his role in CEPI on 15 March 2016 to take up the role of Director General in CEFIC (the chemical industry trade federation).

“Marco Mensink has had a lengthy career in CEPI and the overall paper industry sector. During that time he has made a major contribution to progress and lead many innovative initiatives and developments. Above all, he leaves a very professional team of colleagues behind” quoted Peter Oswald, CEPI Chairman.

The CEPI Board thanks Marco for his major contribution to CEPI and wishes him and his family every success in his new role.

CEPI has now commenced the process to appoint a replacement.

The search for a replacement will be coordinated by the CEPI Board Steering Committee, chaired by CEPI Chairman Peter Oswald, with the support of a recruitment agency.

Candidates can make their interest known by contacting the CEPI Chairman on a dedicated and confidential e-mail address [chairman@cepi.org](mailto:chairman@cepi.org). The applications will be included in the process with the recruitment agency.

### Note to the Editor

#### CEPI aisbl - The Confederation of European Paper Industries

The Confederation of European Paper Industries (CEPI) is a Brussels-based non-profit organisation regrouping the European pulp and paper industry and championing industry's achievements and the benefits of its products. Through its 18 member countries (17 European Union members plus Norway) CEPI represents some 505 pulp, paper and board producing companies across Europe, ranging from small and medium sized companies to multi-nationals, and 920 paper mills. Together they represent 23% of world production.
